DETAILED ACTION

Response to Amendments/Arguments

Applicant's Amendments/Arguments filed on 9/14/2007 has been carefully considered.

Specification

The lengthy specification has not been checked to the extent necessary to determine the presence of all possible minor errors. Applicant's cooperation is requested in correcting any errors of which applicant may become aware in the specification.

Allowable Subject Matter

Claims 1 -12 are allowable.

The following is an examiner's statement of reasons for allowance: Claim 1 is allowed over the prior art of record. The prior art of record, considered individually or in combination, fails to fairly teach or suggest claimed ADC comprising, among other limitations, a novel and unobvious limitations of "an analog filter for at least partly suppressing the analog wanted signal and the analog unwanted signal, resulting in an analog output signal" structurally and functionally interconnected with other limitations in the manner as cited in the claim and dependent claims 2-8.

Claim 9 is allowed over the prior art of record. The prior art of record, considered individually or in combination, fails to fairly teach or suggest claimed method comprising, among other limitations, a novel and unobvious limitations of "at least partly suppressing the analog wanted signal and the analog unwanted signal, resulting in an

analog output signal" structurally and functionally interconnected with other limitations in the manner as cited in the claim.

Claim 10 is allowed over the prior art of record. The prior art of record, considered individually or in combination, fails to fairly teach or suggest claimed ADC comprising, among other limitations, a novel and unobvious limitations of "an analog filter for at least partly suppressing the analog wanted signal and the analog unwanted signal, resulting in an analog output signal" structurally and functionally interconnected with other limitations in the manner as cited in the claim and dependent claims 11-12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
